the day-to-day operations.**

How It Works

1. Choose your farm estate (animal or crop).
2. Lease your desired acres/units (minimum lease period: 5 years).
3. Pay your reservation fee (from GH₵ 10,000 animal /GH₵ 10,000 crop).
4. We clear, prepare, and manage your farm daily with our partner A Farm For Me Ltd.
5. Track progress 24/7 on our mobile/web app.
6. Visit on scheduled days (or book a special visit).

Harvest. Sell. Profit

You don't farm, we farm for you.

Why Own A Farm In Ibac Farm Estates?

Hassle-Free Farming – You don't need prior farming experience. We do the work; you reap the rewards.

Professional Management – Our management partner, A Farm For Me Ltd, handles every detail: land prep, inputs, farm staff, irrigation, and harvest.

Insurance Included – Every farm is covered from Day 1, protecting your investment against major risks.

Guaranteed Off-Takers – Partnerships with local and international buyers mean your produce always has a ready market.

Tech-Enabled Monitoring – Track your farm's progress 24/7 through our mobile & web apps with live updates, photos, and reports.

Flexible Options – Choose between animal farms or crop farms, short-term or long-term crops, group or individual packages.

Secure Ownership – Every investor receives a farm certificate validating their lease and farm details.

Wealth Creation – Agriculture is one of the most resilient and growing sectors in Africa. Farms offer steady returns and long-term value growth.

Community & Impact – By investing, you also support youth employment, food security, and rural development in Ghana.

Accessible Entry – With reservation fees starting at just GHS 5,000 (Animal Estates) and GH₵10,000 (Crop Estates), anyone can own a farm estate.

Transparency & Accountability – Regular progress reports, scheduled farm visits, and direct communication with relationship managers.

Diversification – Spread your investment portfolio beyond traditional assets into tangible agriculture with measurable ROI.
